VERSION 1.0 July 2019

ENVIRONMENTAL MANAGEMENT

At all levels of our operation, Clean and Green Recycling Pty Ltd & Clean and Green Organics Pty Ltd (CGR/CGO) plan and conduct their activities with a view to protecting and conserving the natural environment and employee health. We do this by complying with all legal, statutory and other requirements of the Environmental Management System. We also aim to meet stakeholder expectations.

CGR/CGO is committed to providing for its employees and the wider community, a level of environmental awareness, management and control that is in line with the community expectations and standards.

CGR/CGO commits to establishing and reviewing measurable objectives and targets at relevant functions and levels on a quarterly basis in accordance with the annual Environmental Management Review and the requirements of ISO 14001:2004 Environmental Management Systems.

CGR/CGO commits to continual improvement and the prevention of pollution and to comply with applicable legal requirements and all other relevant requirements.

This policy is communicated to all staff through uploading a copy of the policy to the company intranet with other relevant Management System manuals. Additionally copies are also placed on all common area Notice Boards.

The policy is also made available to all persons working for or on behalf of CGR/CGO and the public via the company website.
